JUST LIKE YOU (chorus)
Waterdeep

E A
It's just like you to bring light into darkness
E A
It's just like you, Lord, it's just like you

It's just like you to bring beauty to ashes
It's just like you
Lord, it's just like you

It's just like you to bring life to these dry
bones
It's just like you
Lord, it's just like you
