Gsus G (C)

That Jesus is the King!

With power He vindicates the just,

And treads th'oppressor in the dust:

His worship and His fear shall last

Till hours, and years, and time be past.

Let every creature rise and bring

Peculiar honors to our King;

Angels descend with songs again,

And earth repeat the loud amen!

Where He displays His healing power,

Death and the curse are known no more:

In Him the tribes of Adam boast

More blessings than their father lost.

Great God, whose universal sway

The known and unknown worlds obey,

Now give the kingdom to Thy Son,

Extend His power, exalt His throne.

The scepter well becomes His hands;

All Heav'n submits to His commands;

His justice shall avenge the poor,

And pride and rage prevail no more.

As rain on meadows newly mown,

So shall He send his influence down:

His grace on fainting souls distills,

Like heav'nly dew on thirsty hills.

The heathen lands, that lie beneath

The shades of overspreading death,

Revive at His first dawning light;

And deserts blossom at the sight.
