```
   E                                  C#m   A
I put all my hope, on the truth of Your promise
      E                                  C#m      A
And I steady my heart, on the ground of your goodness
     F#m           C#m        A          B
When I'm bowed down with sorrow, I will lift up Your name
       F#m         C#m           A        B
And the foxes in the vineyard, will not steal my joy
```

```
            E
Because You are good to me, good to me

You are good to me, good to me
C#m        B        A   (F#m  E/G#  A  B..because) E
You are good to me
```

```
      E                                  C#m          A
And I lift up my eyes, to the hills where my help is found
      E                                  C#m          A
Your voice fills the night, raise my head up to hear the sound
        F#m           C#m          A          B
Though the fires burn all around me, I will praise you, my God
       F#m         C#m           A        B
And the foxes in the vineyard, will not steal my joy
```

```
      E                        A               F#m
Your goodness and mercy shall follow me, all my life
C#m              Bsus        B
    I trust in your pro - mise
