

# SIMPLE STEPS FOR SAFE WORSHIP AT RESTORATION

1

## STAY HOME IF YOU'RE ILL

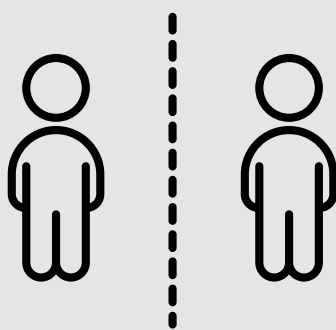

No one with a fever or symptoms of COVID-19, or known exposure to a COVID-19 case in the prior 14 days, is permitted. We also ask that you worship from home if you've been out of town in the prior two weeks.

2

## WEAR A MASK

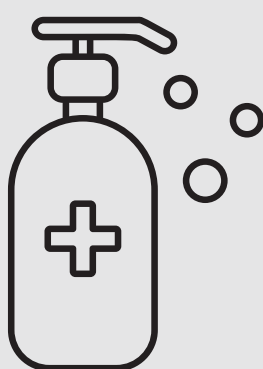

Keep your mask on at all times. Yes, even right outside the building! This is a considerate way to love those around you, and it shows our neighbors that we care.

3

## KEEP 6FT OF DISTANCE

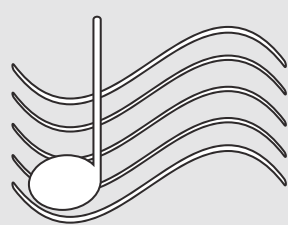

It hurts to stay away from our dear friends. We know. It won't be forever. Please support us in this by staying 6 ft away from those not in your family/household.

4

## USE OUR SANITIZER STATIONS

You'll notice a few hand sanitizing stations throughout the building. We ask that you take advantage of them by using them when you're nearby. It helps us keep our surfaces clean.

5

## NO SINGING

This is another tough one. But we trust the guidance of healthcare professionals who say that singing can transmit the virus very easily. So, for now--don't sing.

6

## IT'S OKAY TO CHOOSE ONLINE

This is a uniquely challenging time. Everybody has to assess the risks involved a little bit differently. We understand if you need to wait a long time before you're back. We'll be online for you the whole time.
