

Director of Youth Ministries

Reports to: Associate Rector
Start date: As soon as possible.

Restoration is a group of people who worship together, pray together, serve together, and live life together [even if that means virtually for a season]. We believe that church is community. It's more than just a place to show up on a Sunday or on a screen; it's the messiness of real life. When people are connecting to God and experiencing what it means to be loved, forgiven, healed, and empowered by Jesus Christ through the Holy Spirit, church is happening. Above all, church is a foretaste of God's Kingdom— a day when all that is broken will be healed, all that is incomplete will be made whole, all that is old will be made new. A day of Restoration.

We are broken people being restored by grace and living God's story.
